
Mitigation Measures

MoTown

Per State of Arizona Executive Order 2020-59 Further Mitigation Requirement for Events

Date: January 23, 2021

Sponsor: Superstition VFW Post 9399

Contact: Bobby Malick, Commander Phone: 480-695-7134

Location: VFW Post, 133 North Saguaro Drive, Apache Junction, AZ 85120

Estimated Total Attendance/Attendance at one time: 115 Individuals (1/2 of Post Capacity)

Nature of the Event:

A Band playing an evening of Motown hits from 5 PM until 9 PM for our members and guests to enjoy. Kitchen will be open and serving from 5 PM until 7 PM. There will be NO Dancing.

Protocols and cleaning measures were created using the CDC and ADHS recommendations as follows:

WELLNESS MEASURES FOR PARTICIPANTS

Individuals will be screened. This will include a temperature screening and asking about wellness. Masks will be required when not seated. Sanitizing stations are located at 5 locations in the Post and will also be available at many of the tables. Social distancing will be maintained in accordance with current guidelines for individuals and groups.

WELLNESS MEASURES FOR EMPLOYEES

Employees / Volunteers will be screened for temps. They will comply with all requirements from the CDC to include the wearing of masks and washing of hands. Disposable gloves will be worn when required.

NECESSARY CLEANING AND PPE SUPPLIES FOR AREA

There are currently 5 sanitizing stations in the Post and there will be additional sanitizers placed on several of the tables for people to utilize. Tables will be sanitized before the event and after and when required if individuals leave and before someone else occupies that area.

NECESSARY SIGNAGE/MESSAGING

There are currently signs posted that make individuals aware of the Covid hazard on the entrances to the Post and throughout the interior. Tables and seating are marked where seating is restricted for social distancing.
